IT'S A SPLENDID LIST

The Entries for the Anaconda and Butte Stake Races Announced.

AVERAGE 20 IN EACH EVENT

Crack Horses of the Northwestern Turf Will Be Here and Memorable Contests for Supremacy Are in Store—Track Notes.

The list of entries for the Anaconda and Butte stake races, which is announced to-day, is a grand one, presenting fields such as never before have been known in Anaconda or in Montana. For the 12 stake events there are 239 entries in this city for the Anaconda meeting, where six of the stakes will be decided, there are 124 entries averaging, therefore, 21 horses for each contest. The only purse that was short of entries was the Oro-Y-Plate in Butte for 2:08 class pacers. In this there are but three starters, Rachel, Brino Tricks and Pathmont. Notwithstanding the failure to fill Manager Tipton will not declare the event off. There are so few horses in this section eligible to meet in this class is the reason for the light entry, but that faith may be kept with horsemen and with the public the purse will stand.

The liberality of these entries is typical of Montana horsemen. They have good horses and are willing and ready to meet all comers, in earnest of which their money talks.

The crack horses of the coast and of the Northwestern turf and track will be in Montana to meet them and memorable battles for supremacy are in store for the fast ones in these meetings. A study of the list will tell an interesting story to racers. The records of the harness horses, wherever they could be secured, are appended.

Several other stakes which are not shown on this list have given assurance that they will be here and will lend their presence to making contests on the track not surpassed in any section of the country.

Notes of Interest.

At Pimlico track on May 27 Red Silk, b m, by Baron Wilkes, 2:18, dam Nannie Etticoat, by Belwood, paced to a record of 2:13 1/4. Red Silk is a sister to Brown Silk, 2:22 1/4, who will be seen in the Bitter Root stable this season.

Harry Helm and his harness horses took quarters at the Anaconda track this week. He has Rimac, by Robert McGregor; Roselle, by Tom Hunter; Alotka, by Allerton; Electunt, by Electioneer; Jack Hunter, by Woodford Wilkes. All are trotters except Roselle, a gamey little pacer.

Joe Kinney's gallopers from Boise city, in charge of Trainer Ed Hoyt and Jockey D. A. Edgar, recently arrived at the Anaconda track. The pride of the stable is a handsome and strongly built 2-year-old sorrel, Senator Dubois, by Arklow, by Julia S. Another is Sunny Plains, a 4-year-old sorrel, by Warwick, out of Julia S. She is trim and little and will be an unknown quantity in the stake races, as this will be her maiden appearance on the track. A sturdy yearling is the Emperor of Warwick, by Warwick, dam Lady Graves. He will do his first work this fall.

W. H. Davis of Lewistown, Mont., is in charge of Dan Crowley's harness horses. He has Diverges, 2:24 1/4, by Dispatch, by Onward; Lady Wallace, 2:21 1/4, by William Wallace, by Gold Dust; Victorine, 2:24 1/4, by Onward, first dam by Princeps; May Sultan, 2-year-old, by King Sultan, dam by Atlantic.

Butler & Curran are already at work upon the programme for the Anaconda and Butte meetings. With their usual enterprise, they have increased the size of the programme this season to meet the demands of advertisers and also give room for more information to patrons. It will be twice the size of last year's card, still retaining the old familiar shape, which is just pocket size.

The well-known trainer and jockey, Les Galbraith, won the two opening races at Eugene last Tuesday with Black Prince and Verdi Paul. This is a very rare showing for the first start of the season.

After a Long Ride

YOU FEEL A SORT OF WEAKNESS IN the back, above the hips, which indicates that everything is not well with you there. Whirling is nice—it is healthful; but it uncovers the weak spots. If you are not strong in the back it gives you that "tired feeling" which means weak kidneys, weak nerves and the near approach of Nervous Debility.

DR. SANDEN'S ELECTRIC BELT

Is especially adapted, with its strengthening, invigorating currents, to the restoration of nerve and muscular power. It tones up the kidneys, contracts weakened and relaxed muscles, and removes those thousand and one symptoms which wait a rider for the performance of any long-continued or violent exercise.

A little book, "Three Classes of Men," explaining its use for men and women, is instructive and may lead you to a way to make your riding more exhilarating and less dangerous to your health. Free.
